

プール学習時のリーバー入力画面の例です。入力内容によって画面は少し変わります。

The image displays two sequential screenshots of a mobile application interface for pool learning registration. The interface is titled "学校への連絡 / 健康観察" (Communication to School / Health Observation).

**Left Screenshot:**

- Question: "体の調子はいかがですか？" (How is your condition?) with input "良い" (Good).
- Question: "今日は出席しますか？" (Are you attending today?) with input "出席する" (Attend).
- Question: "プールに入る機会がありますか？" (Do you have a chance to enter the pool?) with input "ある" (Yes).
- Question: "本日の体温を教えてください。" (Please tell me today's body temperature.) with input "36.0°C".

**Right Screenshot:**

- Question: "計測した時間を教えてください。" (Please tell me the measurement time.) with input "11:00".
- Question: "以下の不調や身体の状態はありますか？" (Are there any of the following symptoms or physical conditions?) with input "特になし" (None).
- Question: "本日はプールへの参加を希望しますか？" (Do you want to participate in the pool today?) with input "はい" (Yes).

**Callouts:**

- Top left: "体の調子は、必ず入力してください。" (Please be sure to enter your condition.)
- Bottom left: "必ず検温をして入力してください。" (Please be sure to take a temperature and enter it.)
- Right side (top): "詳しく入力してください。" (Please enter details.)
- Right side (bottom): "プール学習の日は、入力必須項目です。" (On pool learning days, this is a required input item.)

Both screenshots show a progress indicator "7/7" at the bottom.
